

MERRY CHRISTMAS

Merry Christmas, Merry Christmas

We'll talk the whole night through,
Merry Christmas
Merry Christmas to you.
Merry Christmas Merry Christmas
It's great to stay up late,
Merry Christmas Merry Christmas to you.

When the band began to play
The stars were shinin' bright.
Now that Santa's on his way,
It's time to say goodnight. so

Merry Christmas Merry Christmas
Sunbeams will soon smile through,
Merry Christmas Merry Christmas, to you,
And you, and you, and you!

Merry Christmas Merry Christmas
We've talked the whole night through.
Merry Christmas Merry Christmas to you.

Santa will be comin' so it's time to go a sleepin'

It's Christmas It's Christmas
It's great to stay up late!
Merry Christmas
Merry Christmas to you.

Santa will be comin' so it's time to go a sleepin'

When we left the movie show
The night was starry bright
but come the dawn
we all awake
It's Santa's special flight

SO SAY Merry Christmas
Merry Christmas

Rainbows are shining through

Merry Christmas

Joyeux Noel
Buon Natale
Feliz Navidad

ROCKIN' AROUND THE XMAS TREE

Rocking around the Christmas tree
at the Christmas party hop
Mistletoe hung where you can see
Ev'ry couple tries to stop

Rocking around the Christmas tree
Let the Christmas Spirit ring
Later we'll have some plum pudding
and we'll do some caroling

You will get a sentimental feeling
When you hear voices singing
"Let's be jolly; Deck the halls with boughs of holly"
Rocking around the Christmas tree
Have a happy holiday
Everyone's dancing merrily
In a new old fashioned way

Lead break

You will get a sentimental feeling
When you hear voices singing
"Let's be jolly; Deck the halls with boughs of holly"
Rocking around the Christmas tree
Have a happy holiday
Everyone's dancing merrily
In a new old fashioned way

MISTER SANTA

Mister Santa
Bring me some toys
Bring Merry Christmas
To all girls and boys
And every night
I'll go to sleep singing
And dream about
The presents you'll be bringing
Santa

Promise us please
Give every reindeer
A hug and a squeeze
I'll be good
As good can be
Mister Santa
Don't forget me.

Mister Santa
Dear old Saint Nick
Be awful careful
And please don't get sick
Put on your coat
When breezes are blowin'
And when you cross the street
Look where you're goin'
Santa

We love you so
We hope you never get lost in the snow
Take your time when you are mad
Mr Santa don't hurry back

Mr Santa
We've been so good
We've washed the dishes
And done what we should
Made up the beds
Scrubbed our toesies
We've used a kleenex
When we've blown our noseies

Oh Santa
Look at our ears
They're clean as whistles
We're sharper than shears
Now we've put you on the spot
Mr Santa
Bring us a lot

Go to first verse.

Mr Santa don't forget me.

CHRISTMAS IS A HOMEMADE HOLIDAY

Each Christmas, as you think about the things you're grateful for
You bow your head and pray... that the tree will fit through the door
A snowman cookie makes the job a lot more fun to do
You smile because it's awfully rich (mm) and just for a moment,
So are you

Christmas is a homemade holiday
Fix it family style
Season with the sweetest memories
Mix it awhile
Stir in hugs and kisses
You'll get lots of those
With mistletoe above you
And flour upon your nose
Christmas is a time for sprinkling
Spice and sparkle and joy
Simmer 'til it's warm and sincere
It's a yearly miracle that everyone understands
For it's made with love and your own two hands

Christmas is a homemade holiday,
One you never outgrow
Funny, how a pile of cotton balls turns into snow
Kids in tinsel halos give a manger play
And Mom believes her rascals are angels for a day
Christmas is a time for twinkling lights and startling sights
Driveways glow with wise men and deer

It's a yearly miracle that everyone understands
For it's made with love and your own two hands
Yes, it's made with love and your own two hands

GO TELL IT ON THE MOUNTAIN

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born

The shepherds all were watching
Over their sheep at night
When a guiding star shone from heaven
And they followed that holy light

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born

They found a lovely manger
Where the humble Christ was born
And God sent out salvation
On that blessed Christmas morn

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born

He brought with Him forgiveness
He live to show us the way
He came to redeem all creation
And to wash all our sins away
Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That Jesus Christ is born

OVER THE RIVER AND THROUGH THE WOODS

Over the river and through the woods
to Grandmother's house we go.
The horse knows the way to carry the sleigh
through the white and drifted snow.

Over the river and through the woods,
Oh, how the wind does blow.
It stings the toes and bites the noses
as over the ground we go.

Over the river and through the woods
to have a full day of play.
Oh, hear the bells ringing ting-a-ling-ling,
For it is Christmas Day.

Over the river and through the woods,
Trot fast my dapple gray; Spring o'er the ground just like a hound,
For this is Christmas Day.

Over the river and through the woods
and straight through the barnyard gate.
It seems that we go so dreadfully slow;
It is so hard to wait.

Over the river and through the woods,
Now Grandma's cap I spy.
Hurrah for fun; the pudding's done;
Hurrah for the pumpkin pie.

ALL I WANT FOR CHRISTMAS IS YOU

There's just one thing I need
I don't care about the presents
Underneath the Christmas tree
I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is...
You

I don't want a lot for Christmas
There's just one thing I need
I don't care about the presents
Underneath the Christmas tree
I don't need to hang my stocking
There upon the fireplace
Santa Claus won't make me happy
With a toy on Christmas day
I just want you for my own
More than you could ever know
Make my wish come true
All I want for Christmas is you
You baby

I won't ask for much this Christmas
I don't even wish for snow
I'm just gonna keep on waiting
Underneath the mistletoe
I won't make a list and send it
To the North Pole for Saint Nick

I won't even stay awake to
Hear those magic reindeers click
'Cause I just want you here tonight
Holding on to me so tight
What more can I do
Baby all I want for Christmas is you
Ooh baby
All the lights are shining
So brightly everywhere
And the sound of children's
Laughter fills the air

And everyone is singing
I hear those sleigh bells ringing
Santa won't you bring me the one I really need
Won't you please bring my baby to me...

Oh I don't want a lot for Christmas
This is all I'm asking for
I just want to see my baby
Standing right outside my door
Oh I just want you for my own
More than you could ever know
Make my wish come true
Baby all I want for Christmas is...
You

All I want for Christmas is you... baby (repeat and fade)

SILENT NIGHT

Silent night, Holy night
All is calm, all is bright
Round young virgin, mother and child
Holy infant so, tender and mild
Sleep in heavenly peace,
Sleep in heavenly peace.

Silent night, Holy night
Shepherds quake, at the sight
Glorious streams from heaven above
Heavenly hosts sing Hallelujah.
Christ the saviour is born,
Christ the saviour is born.

Silent night, Holy night
Son of God, love's pure light
Radiant beams from thy holy face
With the dawn of redeeming grace,
Jesus, Lord at thy birth,
Jesus, Lord at thy birth.
Jesus, Lord at thy birth (slow)

DO YOU WANNA BUILD A SNOWMAN

Do you wanna build a snowman?
C'mon lets go and play
I never see you anymore
Come out the door
It's like you've gone away
We used to be best buddies
And now we're not
I wish you would tell me why
Do you wanna build a snowman?
It doesn't have to be a snowman
Okay, bye

oooooooooooooooooooo
yes I wanna build a snowman?
and ride our bikes around the halls
I think some company is overdue
you started talking to the pictures on the walls????
It got a little lonely
All these empty rooms (these empty rooms)
Just watching the hours tick by
(Tic-Tock, Tic-Tock, Tic-Tock, Tic-Tock)

Do you wanna build a snowman
Yes I wanna build a snowman
It will be a great snowman
It will be a great snowman
ok let's try

oooooooooooooooooooo
yes I knew that you were in there
People were asking where you've been
They say have courage, and I was trying to
I was right out here for you, but now you've let me in

We only have each other
It's just you and me
What are we gonna do?
Do you wanna build a snowman?

Yes I wanna build a snowman
Ok lets build a snowman
Ok lets try.

LET IT GO

The snow glows white on the mountain tonight
Not a footprint to be seen.
A kingdom of isolation,
and it looks like I'm the Queen
The wind is howling like this swirling storm inside
Couldn't keep it in;
Heaven knows I've tried
Don't let them in,
don't let them see
Be the good girl you always have to be
Conceal, don't feel,
don't let them know
Well now they know
Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door
I don't care
what they're going to say
Let the storm rage on.
The cold never bothered me anyway
It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all
It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me,
I'm free!
Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry
Here I stand
And here I'll stay
Let the storm rage on
My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand
In the light of day
Let the storm rage on
The cold never bothered me anyway!

FROSTY THE SNOWMAN

Frosty the snowman
Was a happy, jolly soul
With a corn cob pipe and a button nose
And two eyes made out of coal

Frosty the snowman
Is a fairytale, they say
He was made of snow but the children know
How he came to life one day

There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to dance around

Oh, Frosty the snowman
Was alive as he could be
And the children say he could laugh and play
Just the same as you and me

Frosty the snowman
Frosty the snowman
He led them down the streets of town
Right to the traffic cop
And he only paused a moment when
He heard him holler stop!

Frosty the snowman
Had to hurry on his way
But he waved goodbye, saying don't you cry
I'll be back again some day

Oh oh

Frosty the snowman
Frosty the snowman
Frosty the snowman
Frosty the snowman
Frosty the snowman
Frosty the snowman
Frosty the snowman(in harmony)

HAVE YOURSELF A MERRY LITTLE CHRISTMAS

Have yourself a merry little Christmas,
Let your heart be light
From now on,
our troubles will be out of sight

Have yourself a merry little Christmas,
Make the Yule-tide gay,
From now on,
our troubles will be miles away.

Here we are as in olden days,
Happy golden days of yore.
Faithful friends who are dear to us
Gather near to us once more.

Through the years
We all will be together,
If the Fates allow
Hang a shining star upon the highest bough.
And have yourself A merry little Christmas now.

O HOLY NIGHT

O Holy night, the stars are brightly shining
It is the night of our dear Saviour's birth
Long lay the world in sin and error pining
Til He appeared and the soul felt it's worth
A thrill of hope the weary world rejoices
For yonder breaks a new and glorious morn
Fall on your knees

O hear the angel voices
O night divine!
O night when Christ was born
O night divine!
O night, O night divine!

And in His Name, all oppression shall cease
Sweet hymns of joy in grateful chorus raise we
Let all within us praise his holy name
Christ is the Lord!
Their name forever praise we

Noel, Noel
O night, O night Divine
Noel, Noel
O night, O night Divine
Noel, Noel
Ohh, O holy Divine

JOY TO THE WORLD

Joy to the world, the Lord is come!
Let earth receive her King;
Let every heart prepare Him room,
And Heaven and nature sing,
And Heaven and nature sing,
And Heaven, and Heaven, and nature sing.

Joy to the world, the Savior reigns!
Let men their songs employ;
While fields and floods, rocks, hills and plains
Repeat the sounding joy,

No more let sins and sorrows grow,
Nor thorns infest the ground;
He comes to make His blessings flow
Far as the curse is found,
Far as the curse is found,
Far as, far as, the curse is found.

He rules the world with truth and grace,
And makes the nations prove
The glories of His righteousness,
And wonders of His love,
And wonders of His love,
And wonders, wonders, of His love

BABY IT'S COLD OUTSIDE

I really can't stay, - Baby, it's cold outside
I've got to go away - Baby, it's cold outside

**This evening has been - hoping that you'd drop in
So very nice - I'll hold your hands, they're just like ice
My mother will start to worry - Beautiful, what's your hurry?
My father will be pacing the floor - Listen to the fire place roar
So really I'd better scurry - Beautiful, please don't hurry
But maybe just half a drink more - Put some records on while I pour**

**The neighbours might think - Baby, it's bad out there
Say Was that a wink? - No cabs to be had out there
I wish I knew how - Your eyes are like starlight now
To break this spell - I'll take your hat, your hair looks swell
I ought to get home for dinner- Mind if I move in closer?
So it time for me to cast you aside - What's the sense in hurting my pride?
I really can't stay - Baby, don't hold out
Baby it's cold outside**

I simply must go - Baby, it's cold outside
So thanks for the show - But, baby, it's cold outside
This welcome has been - How lucky that you dropped in
So nice and warm - Look out the window at that storm
My sister will be suspicious - Gosh your lips look delicious

My brother will be there at the door - Waves upon a tropical shore
My maiden aunt's mind is vicious - Gosh your lips are delicious
But maybe just another dance more - Never such a blizzard before

I've got to get home - Baby, you'll freeze out there
Say, lend me a comb? - It's up to your knees out there
You've really been grand - I thrill when you touch my hand
But don't you see - How can you do this thing to me?
There's bound to be talk tomorrow - Think of my life-long sorrow
At least there will be plenty implied - If you got pneumonia and died
I really can't stay - Get over that hold out
Baby it's cold -
Baby it's cold outside

Then he smiled at me

JINGLE BELL ROCK

Jingle bell, jingle bell, jingle bell rock,
Jingle bells chime in jingle bell time
Snowing and blowing in bushels of fun
Now the jingle hop has begun

Jingle bell, jingle bell, jingle bell rock,
Jingle bells chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air

What a bright time
it's the right time
To rock the night away
Jingle bell time is a swell time
To riding in a one-horse sleigh

Giddy-up jingle horse
pick up your feet
Jingle around the clock
Mix and a-mingle in the jingling beat
That's the jingle bell rock

Jingle bell
jingle bell
jingle bell rock
Jingle bells chime in jingle bell time
Dancing and prancing in Jingle Bell Square
In the frosty air
What a bright time
it's the right time
To rock the night away
Jingle bell time is a swell time
To go gliding in a one-horse sleigh

Giddy-up jingle horse
pick up your feet
Jingle around the clock
Mix and a-mingle in the jingling beat
That's the jingle bell rock

Mix and a-mingle in the jingling beat
That's the jingle bell,
that's the jingle bell,
that's the jingle bell rock!

SLEIGH RIDE

Just hear those sleigh bells jingle-ing
Ring ting tingle-ing too
Come on, it's lovely weather
For a sleigh ride together with you

Outside the snow is falling
And friends are calling "Yoo Hoo"
Come on, it's lovely weather
For a sleigh ride together with you

Our cheeks are nice and rosy
And comfy cozy are we
We're snuggled up together like
Birds of a feather would be

Let's take the road before us
And sing a chorus or two
Come on, it's lovely weather
For a sleigh ride together with you

Our cheeks are nice and rosy
And comfy cozy are we
We're snuggled up together like two
Birds of a feather would be

Let's take the road before us
And sing a chorus or two
Come on, it's lovely weather
For a sleigh ride together with you

RUDOLPH THE RED NOSED REINDEER

Rudolph the Red-Nosed Reindeer
had a very shiny nose,
And if you ever saw it,
You would even say it glows. (like a light bulb)
All of the other reindeer
Used to laugh and call him names; (ha,ha,ha)
They never let poor Rudolph
Join in any reindeer games. (like monopoly)

Then one foggy Christmas Eve,
Santa came to say,
Rudolph with your nose so bright,
won't you guide my sleigh tonight?

Then how the reindeer loved him (loved him)
As they shouted out with glee, (yippee)
Rudolph the Red-Nosed Reindeer,
You'll go down in history.

AWAY IN A MANGER

Away in a manger,
No crib for His bed
The little Lord Jesus
Laid down His sweet head

The stars in the bright sky
Looked down where He lay
The little Lord Jesus
Asleep on the hay

The cattle are lowing
The poor Baby wakes
But little Lord Jesus
No crying He makes

I love Thee, Lord Jesus
Look down from the sky
And stay by my side,
'Til morning is nigh.

Be near me, Lord Jesus,
I ask Thee to stay
Close by me forever
And love me I pray

Bless all the dear children
In Thy loving care
And take us to heaven
To live with Thee there

WHITE CHRISTMAS

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten
and children listen
To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmas' be white

I'm dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten
and children listen

To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white

HERE COMES SANTA CLAUS

Here comes Santa Claus!
Here comes Santa Claus!
Right down Santa Claus Lane!
Vixen and Blitzen and all his reindeer
are pulling on the reins.

Bells are ringing, children singing;
All is merry and bright.

Hang your stockings and say your prayers,
'Cause Santa Claus comes tonight.

Here comes Santa Claus!
Here comes Santa Claus!
Right down Santa Claus Lane!
He's got a bag that is filled with toys
for the boys and girls again.

Hear those sleigh bells jingle jangle,
What a beautiful sight.

Jump in bed, cover up your head,
'Cause Santa Claus comes tonight.

Here comes Santa Claus
Here comes Santa Claus
Right down
Santa Claus Lane

He doesn't care
If you're rich or poor
He loves you just the same
Santa knows
That we're God's children
That makes everything right
Fill your hearts
With Christmas cheer
'Cause Santa Claus
Comes tonight
